Message from the Executive Director

Greetings and welcome the 2024 edition of the Solo & Small Ensemble festival!

This year, over 2,000 participants registered for over 3,600 performances! As many non-profit organizations continue to struggle and navigate their way through recovery from the pandemic, we are grateful that so many dedicated new and returning students and teachers will share their music with us this year! We wish all participants well as they continue on their musical journey!!

The VKMF remains dedicated to the encouragement, instruction, and celebration of young musicians in Greater Vancouver and the Lower Mainland. By fostering an appreciation for music, the importance of personal achievement to success, and the value of hard work in pursuing excellence in all aspects of life, we strongly believe our mission of “Inspiring Musical Excellence” has the power to not only transform the lives of our youth... but also the communities we serve.

It is both an honour and privilege to work with our amazing VKMF team and I remain incredibly grateful to the VKMF Board for their continued guidance and support. I would also like to express our heartfelt thanks and gratitude to our dedicated group of VKMF Advisors, our new and returning community of volunteers, and our sponsors and donors. We could not do what we do without you!

Sincerely,

A handwritten signature in black ink that reads "Vicki Cummings". The signature is fluid and cursive, with a long, sweeping tail on the final letter.

Vicki Cummings
Executive Director
